

<b>School:</b>	<b>Nickle School</b>
<b>Last Updated:</b>	<b>January 7<sup>th</sup>, 2016 (BC)</b>
<b>General Info:</b>	There is a staff parking lot as well as street parking for this school. Enter the school through the main doors. The gym is located to the right as soon as you enter the school.
<b>Court Lines:</b>	The court lines are green all around with the exception of the middle court. The end lines are green, but the sidelines are white. The Badminton courts are regulation size.
<b>Post holes:</b>	The post holes are located ~3 feet outside of the court lines.
<b>Nets:</b>	The CSSC own the Badminton nets. They are kept in a Plastic bin labelled CSSC. Please ensure the nets are placed back in this bin at the end of the night. The Plastic bin is kept in the equipment room, located inside the gym.
<b>Posts:</b>	There are 4 Royal Blue Volleyball posts that can be used as Badminton posts. They have metal loops attached to the posts that the nets will attach through. 2 of the posts have loops on both sides, 2 posts have loops on only 1 side. The two posts with loops on both sides will be placed in the 2 middle post holes, while the posts with loops on one side will be placed in the 2 end post holes.
<b>Step 1</b>	There are 4 Blue posts for the 3 courts. Place the two posts that have loops only on one side at the end post holes.
<b>Step 2</b>	Place the other 2 blue posts that have loops on both sides in the 2 middle post holes.
<b>Step 3</b>	Attach the nets to each of the posts on all three courts. The ropes on the net can be pulled through the loops that are 5 feet high, and can be secured by tying a temporary knot, or by twisting around the loop.
<b>Step 4</b>	Repeat for each court. Pull the nets tight enough so the net is straight across and ensure it is 5 feet high. <b>DO NOT OVERTIGHTEN THE NETS</b> , as they might break.
<b>IMPORTANT NOTES:</b>	<b>Please leave outdoor footwear on the large carpet at the front entrance when you enter through the main door. This will help minimize the amount of dirt/mud/snow that gets tracked through the school and in the gym. Please do not walk around the school; please stay in the front area (gym/washrooms).</b>  <b>PLEASE MAKE SURE TO BE OUT OF THE SCHOOL AT OR BEFORE THE PERMIT END TIME. NO EXCEPTIONS!</b>
<b>PAST COMPLAINTS:</b>
