Equipment

Sport Specific Equipment Location and details:

Pickleball:

For this location there is a custom-sized net that is used for the centre court (picture in Photo #5) it is important that this net **is put away in the same bag every night, and only set up in the middle court.**

Nets are located in stairwell #3 and are found in the spot under the stairs. (Photos #2 and #3). Please ensure that they are put back under the stairs in the empty place in Photo#3 as this is an emergency exit point, and the floor space will need to be clear.

Gym Set-up

Instructions to build the nets are laminated in each bag, please keep the centre court bag with the centre court pieces, this is very important.

Pickleball is to be played on the badminton courts, which there are 3, and are the grey-blue court lines.
