Gym Soccer:

The goals for gym soccer are stored outside. They should be moved inside by the caretaking staff prior to our booking.

Gym Set-up

Volleyball:

- Use the two outer courts (yellow lines) for Volleyball. Do not use the centre court.

- You will have to adjust the posts to the second from the top rung, for the standard men's height setting on the post. This is easiest prior to inserting the post, into the gym floor post hole.

- Find two posts that are opposite to one another, one that cranks high, and one that cranks low.

- Attach the nets to the adjoining hooks, and crank to tighten. **DO NOT OVER TIGHTEN THE NETS.**
