

School:	FOREST LAWN H.S. – MAIN GYM
Last Updated:	September 27th, 2016 (BC + AH)
General Info:	Enter the school through the main doors. The main gym is down a few steps on your left and has a sign above the doors that says “#1 South”.
Court Lines:	The lines are yellow all around.
Post holes:	Use the holes that are 2 feet from the court lines (not the holes closest to the courts).
Nets:	The school owns the nets. They are heavy-duty and are stored in the equipment room. They are labelled “TVN teamline” and are the newer looking nets.
Posts:	There are 4 high school caliber posts in the corner of the gym. There are 2 red posts, and 2 blue posts.
	FOLLOW THESE STEPS EXACTLY AS THEY ARE EXPLAINED:
Step 1	Choose one post that cranks the bottom of the net and one that cranks the top of the net, from among the 4 posts that are stored in opposite corners of the gym.
Step 2	Adjust the metal sleeve and pin on each post to the 2 nd hole from the top.
Step 3	Attach the loop on the net to the top loop on one post. Attach the loop on the other side of the net to the s-hook on the rope on the other post.
Step 4	Attach the bottom of the net in the same way, but the hooks and crank wheels are on the opposite sides.
Step 5	Tighten the net by cranking the rope on each post.
Step 6	Repeat for the other court using posts #3 and #4 and the other net.
IMPORTANT NOTES:	Our permit states that we will require the use of the volleyball nets. The caretaker will not allow groups to use their nets unless he sees permission for this on the permit.
PAST COMPLAINTS:
