Gym Set-up

Volleyball

Step 1: Choose one post that cranks the net on the bottom and one that cranks the net on the top for each court.

Step 2: The net height is adjustable on each post – set it to the 2nd hole from the top.

Step 3: Each net has a cable loop on all 4 corners. Attach the top of one corner of the net to the s-hook on the top of the post and the other top corner to the s-hook on the rope.

Step 4: Repeat for the bottom of the net, but the rope and crank will be on the opposite side.

Step 5: Tighten the net on the top and bottom using the crank wheel. Do **NOT** over-tighten.
