Equipment

Sport Specific Equipment Location and details:

Posts: The posts will be located in the equipment room (located within the gym). The door will likely be locked, please ask the caretaker for assistance. There is one set of dark blue posts and one set of red posts. For set up, keep the blue posts together and keep the red posts together. The posts have adjustable sleeves; for height, adjust to 245/highest pin hole. The adjustable sleeve will be a few inches below the top of the post. This will set the net to 8ft.

Post Holes: Use the post holes ~3 feet outside of the court lines.

Nets: The school owns the nets. They are "Teamline" brand and located in the equipment room with the posts. Please put the nets back in an organized manner at the end of the night.

Court Lines: Grey all around.
