## General Information

**Parking:** Players may **NOT** park in any reserved parking stall **AT ANY TIME**. Players can park in the staff lot near the front of the school off Morley Trail.

**Entrance:** Players should enter from the main entrance on the Northeast side of the building. Players should leave outdoor footwear at the entrance.

**Gym Location:** Inside the main entrance, the gym will be just to the left.

**Change room/Washroom:** The changerooms are right outside the gym on the far side of the building

## Equipment

**Sport Specific Equipment Location and details:** The nets and posts are stored in the custodian storage room but will be brought out by the custodian prior to the start of the booking. If the caretaker doesn't take out the equipment, it is stored in the room under the "visitors" sign in the gym.

## Gym Set-up

### Volleyball / Badminton

**The posts are telescopic meaning they can be adjusted to the right height after being taken out from storage.**

**Step 1:** Choose one post that cranks the net on the bottom and one that cranks the net on the top for each court.

**Step 2:** The net height is adjustable on each post – set it to the 2<sup>nd</sup> hole from the top.

**Step 3:** Each net has a cable loop on all 4 corners. Attach the top of one corner of the net to the s-hook on the top of the post and the other top corner to the s-hook on the rope.

**Step 4:** Repeat for the bottom of the net, but the rope and crank will be on the opposite side.

**Step 5:** Tighten the net on the top and bottom using the crank wheel. Do **NOT** over-tighten.

## Important Notes

Basketball nets may need to be raised, if this is the case, please get the caretaker to help with this.
