## Equipment

### Sport Specific Equipment Location and details:

**Posts:** There are 4 blue volleyball posts in the main storage room in the SW corner of the main gym

**Postholes:** Use the post holes that are on the black centre line.

**Court Lines:** The lines are shared with the badminton lines, so they will be predominantly yellow, but the outside lines will be green in portions.

**Nets:** The school owns the nets and they are stored in the hallway cut-out on the east end of the main gym, on hooks.

## Gym Set-up

### Volleyball

**Step 1:** There are no pairs of posts, so pick one top crank and one bottom crank for each court.

**Step 2:** Adjust the sleeve on the posts to the top hole.

**Step 3:** The nets are not assigned to a specific court, attach the top of the net first, then the bottom

**Step 4:** Tighten the net on the top and bottom using the crank wheel. **DO NOT OVER-TIGHTEN!!!**
