Gym Location: Once you enter the school, the gym is down the hallway to your left and down the stairs/ramp and through the set of double doors on your right.

Changeroom/Washroom: The ladies change room and washroom are on your left when you enter the school. The men's washroom is on the right when you enter the school. Male players may use the washrooms to change or they may use the change room which is down the main hall in front of you, once you reach the end, take a left and half way down on your left will be the guys locker room.

Floor: Hard-wood coated floor. There are some dust spots and they keep garbage and recycle cans in the corner of the gym so in that area, it can be sticky. For volleyball use the orange lines, for basketball use black, and for pickleball/badminton use the white lines.

Equipment

Sport Specific Equipment Location and details: The Volleyball nets are located on the bleachers in the gymnasium. The posts are located on the bleachers in the gym. There are four red posts. The Badminton poles and nets are located under the bleachers.

Gym Set-up

Volleyball

Step 1: Hollow orange lines all around. Use the post holes closest to the court lines. About 3' from edge of court.

Step 2: Choose one post that cranks the net on the bottom and one that cranks the net on the top for each court.

Step 3: Each net has a cable loop on all 4 corners. Attach the top of one corner of the net to the s-hook on the top of the post and the other top corner to the s-hook on the rope.

Step 4: Repeat for the bottom of the net, but the rope and crank will be on the opposite side.

Step 5: Tighten the net on the top and bottom using the crank wheel. Do NOT over-tighten.

Important Notes

PLEASE DO NOT OVER-TIGHTEN THE NETS! There are markings on the posts identifying where they go. The nets might be setup when you arrive, please put everything away nicely.

Winter 2019: The Indoor Volleyball equipment storage is not ideal. Please be sure to ask for proper assistance from team and ask other players to help with set-up/take down of the nets.
