Volleyball Net Setup

Correct Hanging of Nets

Volleyball Posts

Pickleball Net Storage

## General Information

**Parking:** Players can park in the lot off the South side of the school. The parking lot is located off Rutherford Rd.

**Entrance:** Players should enter from the main entrance on the South side of the building, directly attached to the parking lot. Press and hold the buzzer on the right side of the door to get the attention of a custodian who will let you into the gymnasium. You may need the booking number to check in. This can be found at the top of the permit document. Players should leave outdoor footwear at the entrance.

**Gym Location:** Inside the entrance the gym will be straight ahead to the right.

**Changeroom/Washroom:** Players can use the change room and washrooms which are located in the gym along the West wall.

**Floor:** For volleyball use blue lines, white lines for badminton/pickleball, and black for basketball. If the floor is dusty, there is a micro-fibre broom in the storage room.

## Equipment

**Sport Specific Equipment Location and details:** Nets for volleyball are located on the West wall beside the men and women's change rooms. Volleyball posts can be used for Badminton. Blue collars can be lowered to Badminton height. Pickleball nets are stored in the Phys. Ed office, in the shower. The janitor will provide access for you. If the janitor is not there at the end of the night, please leave bags outside the Phys. Ed office and they will put them away.

## Gym Set-up

### Badminton

**Step 1:** Remove post hole covers and insert volleyball poles into the post holes.

**Step 2:** Lower blue collar on posts to Badminton height.

**Step 3:** Follow Volleyball net set-up

### Pickleball

**Step 1:** Grab nets from the Phys. Ed office. There will be 3 bags. Each bag has 1 net and poles.

**Step 2:** Assemble bottom frame with stands on each end and one in the middle.

**Step 3:** Slide nets over the end posts and insert into stands on each end. Place rod through middle sleeve.

**Step 4:** Adjusts straps on the end of the net to proper height.

## Basketball

**Court Lines:** Solid black basketball court lines easily identifiable in this gym. This gym does have a 3-pt line.

**Player Benches:** Players can sit on any benches along the wall outside the area of play.

The backboard is a round composite, the rim is a break-away rim.

## Volleyball

1. Take a pair of posts out.
  - a. One without a crank mechanism and one with the seatbelt type strap (see PIC 1).
  - b. The black handle for the crank can be found on the shelves located on the right-hand side of the storage room.
2. Insert the posts into the slots for the posts and adjust the post heights.
  - a. For any division in Indoor Volleyball the posts should always be set at men's height (the top of the nets should reach 2.43 m or 7' 11 5/8").
3. Each net has a cable loop located on the top portion of the nets.
  - a. Attach the shorter cable loop on one side of the net to the S-hook on the post (side without crank mechanism - see PIC 2).
  - b. The other side of the net with the long lead should be fed through the wheel at the top of the other post (side with crank mechanism - see PIC 3) and attach to the strap of the crank mechanism.
4. Use the crank handle to tighten the top of the nets.
  - a. **DO NOT OVERTIGHTEN.**
  - b. Wrap the green straps around the posts to tighten the bottom/middle of the net.

## Set-up Diagram

## Important Notes

Please do not wander the halls between games.

***2018: We have received an official complaint from this facility about teams not vacating the gym by their permit end time. Please remember to end games early enough so everyone is out of the gym by the permit end time.***
