Gym Set-up

Volleyball

Step 1: Take two posts, one with a crank on the bottom and one with the crank on top.

Step 2: Clip the top of the nets to the rope on the post. Ensure that the net is set at the highest setting.

Step 3: The side of the net with the long wire attached is for the post with the top crank. Attach this net to the post and then clip the bottom wire to the other posts rope.

Step 4: Crank the top and bottom cranks until the net is tight and even.

Step 5: Repeat these steps for the other court.

Basketball

Court Lines: Black basketball court lines easily identifiable in this gym.

Player Benches: Players can sub out along any wall, outside of the area of play. Please do not pull out the bleachers.

These hoops are full-sized regulation with break-away rims. This gym does have a 3 pt line.
