Gym Set-up

Volleyball / Badminton

Step 1: Choose one post with a square crank on it and one without. Place the posts on opposite sides of the court.

Step 2: The net height is adjustable on each post – set it so that 6 holes are showing by sliding the sleeve and replacing the pin.

Step 3: Thread the rope from the net over the pulley, towards the crank and attach. Attach net to opposite post by threading rope over the pulley and placing loop over hook.

Step 4: Attach the bottom of the nets to the bottom of the posts.

Step 5: Tighten the net on the top of the net using the crank wheel. Do NOT over-tighten.

Basketball

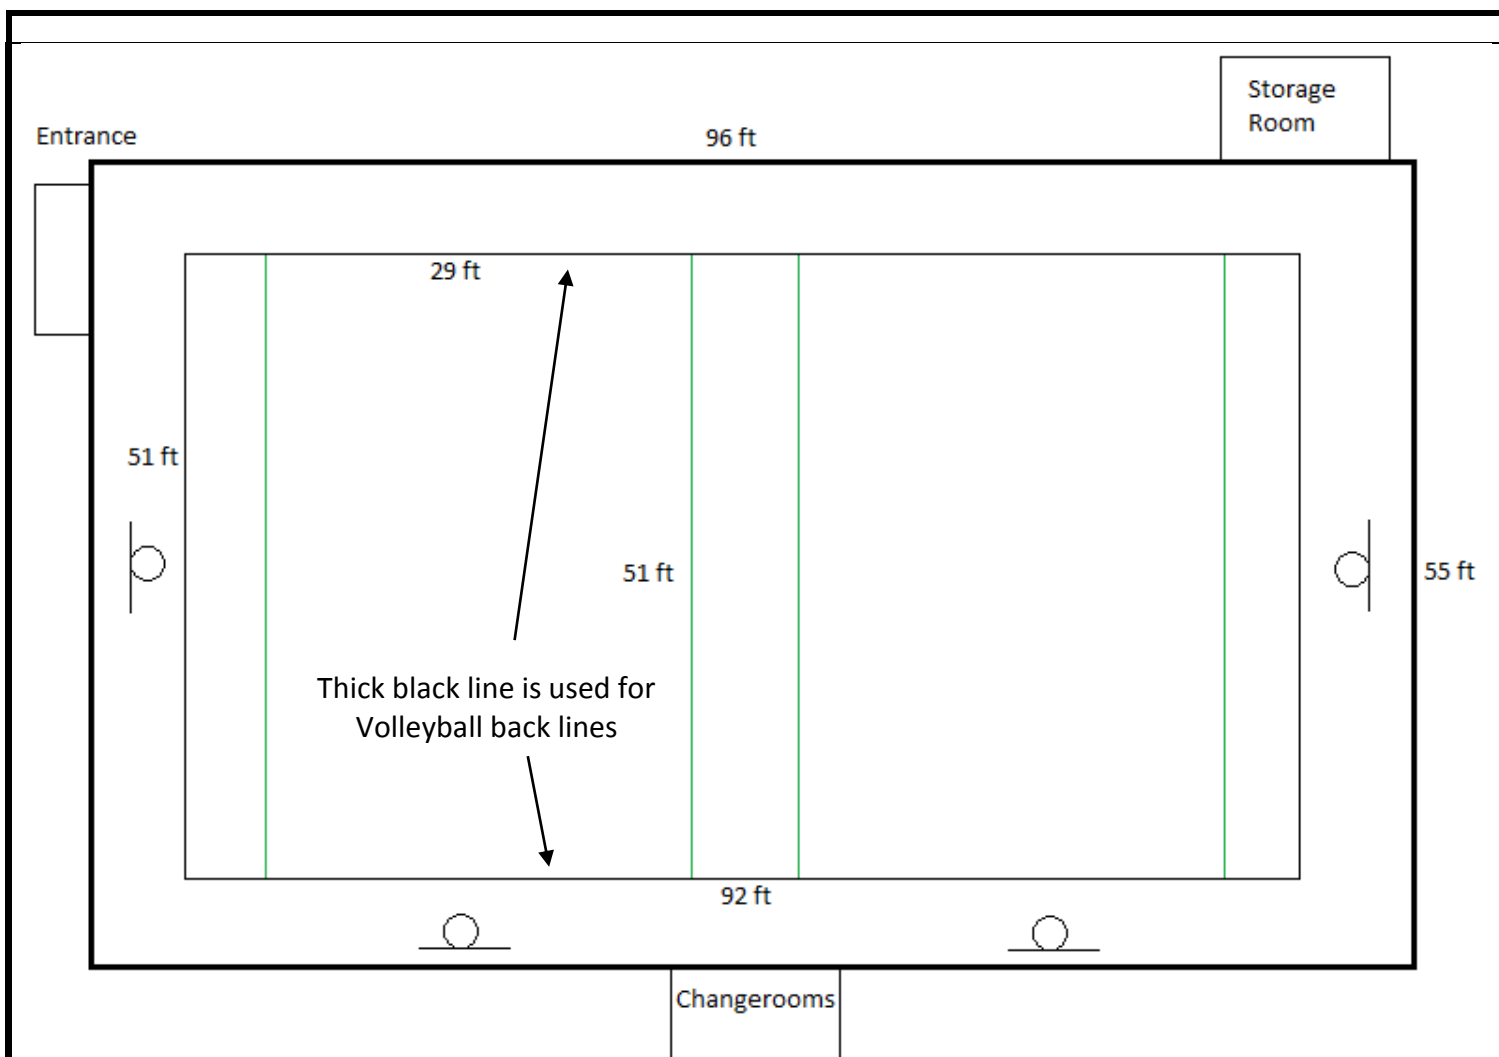

Court Lines: Black basketball court lines easily identifiable in this gym.

Player Benches: Players can sit on the large benches against any wall, outside of the area of play.

Important Notes

The Volleyball court lines for this facility are a bit confusing. Players should be using the green lines for each volleyball court (Side of the courts as well as the 3 meter/attack lines). However, the black line is shared between Volleyball (at the ends of the Volleyball courts) and Basketball.
