Gym Set-up

Volleyball

Step 1: Take a pair of posts, one with a crank to crank and bottom and one to crank the top. Posts are labelled as to which court they belong to (east court or west court). Insert them into the post holes just off the courts.

Step 2: Adjust the heights on the posts

Step 3: Take the top of the nets and clip them into the top loops of the posts and crank to tighten

Step 4: Take the bottoms of the nets and clip them into the bottom loops of the posts and crank to tighten

Step 5: Do not over tighten

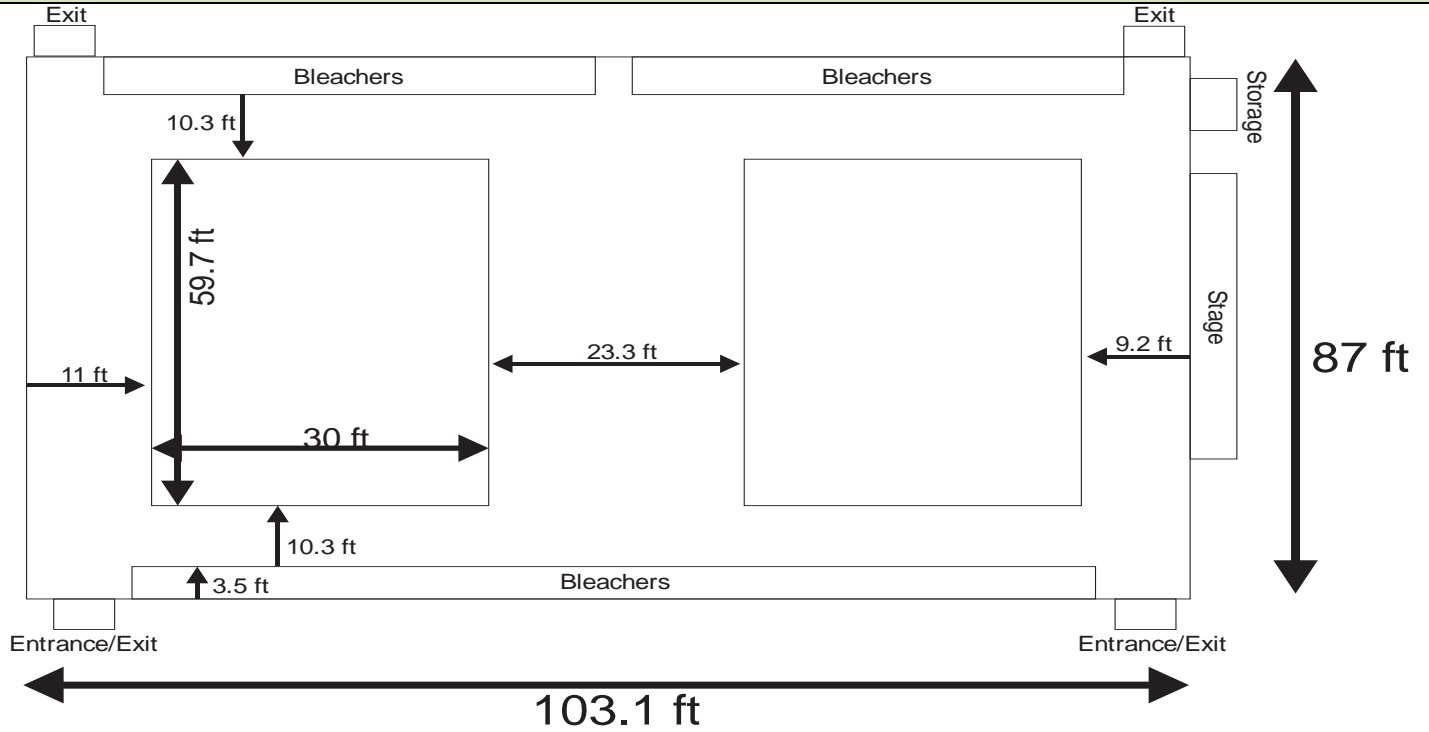

Basketball

The Basketball hoops can be lowered by the GC or the custodian (If the GC is uncomfortable lowering the hoops). There is a crank station with a red case on the wall by the East entrance. This lowers the East backboard (by the logo on the wall). There is another crank station with a red case by the West entrance. This crank lowers the West backboard (by the stage). This gym has glass backboards, breakaway rims, and a three point line. Basketball lines are solid black.
