Photo #2 – 12' boards for the NE/SE corners where players sit.

General Information

Parking: Players can park in the parking lot on the East side of the facility. This facility features a YMCA, Library, Hockey arenas and multiple gyms so parking can be limited.

Entrance: Players should enter through the doors between the Library and Arena entrances on the east side of the building.

Gym Location: The gym is straight down the hall, on the left opposite of the YMCA snack bar. There is no score clock here (even though there is a scoreboard), so you will use your stopwatch and will have to be vocal about calling 2 minute warnings, half time, etc.

Change room/Washroom: Washrooms are located in the main area of the facility across from the YMCA help desk or along the south wall as you exit the gym closer to the entrance.

Floor: There is a micro-fiber broom in the equipment room that can be used to clear dust and debris from the floor.

Equipment

Sport Specific Equipment Location and details: The hockey nets, corner boards, and equipment cabinet are located in the room on the right-hand wall (mid-court) once entering the gym. To access the cabinet you will need to open the lock, combination **17-31-37**.

Gym Set-up

Basketball

Court Lines: Black basketball court lines, easily identifiable in this gym.

Player Benches: Players can sit on the benches against the wall outside of the area of play.

Dodgeball

Divider: There will be two games of dodgeball played here on most nights. Please ensure the divider is

403-244-PLAY(7529)

down. If it is not down, you will need to contact the Cardel Rec Staff.

Floor Hockey:

Nets: Use the full-size 72" hockey nets in the storage room.

Creases: There are no marked creases, however, you will find red vinyl tape in the storage cabinet. Please ensure the tape is taken up at the end of the night.

Corner Boards: These need to be set-up in every corner as indicated in the diagram below. The 14ft corner boards go in the corners with the benches, and the shorter 6ft corner boards go in the other corners to round them off.

Player Benches: These need to be set-up inside of the corner boards (see diagram), players or bags should not be in the area of play.

Obstructions: The basketball nets should be raised and out of the area of play, if the nets are down upon arrival, please go to the front desk to ask the facility attendant to raise them. There is also a counter top that sticks out slightly from the wall beside the storage room. Please ensure players are aware of these and if you feel play is getting too close to the counter, feel free to stop play.

Cardel Rec - South

Important Notes

- We have had complaints of the tape being left on the floor at the end of a shift, this tape needs to be removed before you leave for the night.
