Creases: Use the red line as the top of the crease, and use non-stick red tape to round out the goal line and the rest of the crease.

Corner Boards: These need to be set-up in every corner as indicated in the diagram below. The 12ft corner boards go in the corners with the benches, and the shorter 6ft corner boards go in the other corners to round them off. **Please remove tape at the end of the night.**
