## General Information

**Parking:** Players can park in the parking lot on the south side of facility.

**Entrance:** Enter through the south entrance and head NW as you enter the facility. The stairs to get downstairs are on right by Jugo Juice.

**Gym Location:** Once you go downstairs, hang a right and walk past the help desk. The gym is located on the left-hand side behind the turf soccer fields. The Genesis staff would like players to keep the entrances clear of bags, clothes and other obstructions.

**Change room/Washroom:** Washrooms are located just outside the main gym doors. Genesis staff encourage our players to use the change rooms for player gear. We do have access to two change rooms while renting the community gym and the key can be checked out from the front desk staff.

## Equipment

**Sport Specific Equipment Location and details:** The Floor Hockey equipment and boards are located in wheel bins that are in a locked-up area between the two soccer fields. The Genesis staff will need to allow you entry if they have not placed our items in the gym for us already. The CSSC does have permission to use the score clock and it should be used for all Basketball, Floor Hockey and Soccer shifts. You can obtain controls from the front desk and they will show you how to use the score clock.

## Gym Set-up

### Basketball

**Court Lines:** Black basketball court lines, easily identifiable in this gym.

**Player Benches:** Players can sit on the benches against the wall outside of the area of play.

## Dodgeball

**Divider:** Genesis staff will put down the dividers for us before we begin to play. We use side A, B & C for Dodgeball.

## Indoor Soccer

**Nets:** Genesis staff will bring two large white nets into the gym for when we have soccer bookings.  
**Creases:** Creases are in the gym but are likely too big. There will be some red tape in the wheel bins that we are allowed to use to make creases if needed. Please let CSSC staff know when we are out.

## Floor Hockey:

**Nets:** Use the full-size 72" hockey nets that will be placed out by the Genesis staff.  
**Creases:** There are no marked creases, however, you will find red vinyl tape in the wheel bins. Please ensure this tape is taken up at the end of the night.  
**Corner Boards:** These need to be set-up in every corner as indicated in the diagram below. The 6ft corner boards go in all corners of the gym. Benches will be placed in the alcoves which will also be utilized as player benches for teams.  
**Player Benches:** These will be located in the alcoves of the gym.
