## General Information

**Parking:** Players may park in the main parking lot to the west of the facility.

**Entrance:** Players are to enter the school through the blue doors on the west side of the school. Please do not attempt to use the main entrance that is slightly Northeast as those doors will be locked.

**Gym Location:** To get to the gym, go straight from the main entrance towards the stage entrance and follow the hallway past the washrooms. The gym will be on your right-hand side.

**Change room/Washroom:** There are washrooms located directly out the main gym doors.

**Floor:** There is a micro-fibre broom in the equipment room located behind the cabinet that can be used to clear dust and debris from the floor.

## Equipment

**Sport Specific Equipment Location and details:** There is a CSSC Cabinet in a storage room between the east and west gyms. The cabinet is filled with 2 goalie sticks, 2 goalie helmets, 2 sets of goalie pads, 2 glove and blocker sets, 2 chest protectors and 8 player sticks. Please note: There will not be a lock on this cabinet.

## Gym Set-up

### Floor Hockey:

**Nets:** Use the full-size 72" hockey nets in the storage room.

**Creases:** There are no marked creases, however you will find red vinyl tape in the storage cabinet. Please ensure this tape is taken up at the end of the night.

**Corner Boards:** These need to be set-up in every corner as indicated in the diagram below. The 14ft corner boards go in the corners with the benches, and the shorter 6ft corner boards go in the other corners to round them off.

**Player Benches:** There are no player benches available at this gym.

**Obstructions:** Bleachers – The bleachers should be completely folded in. In order to fold the bleachers in you must lift panel on the very bottom row up and then push in using either side handles or your body weight. Please ask for assistance if needed. If a ball rolls under the bleachers, please give possession to the team who visibly did not touch the ball last.

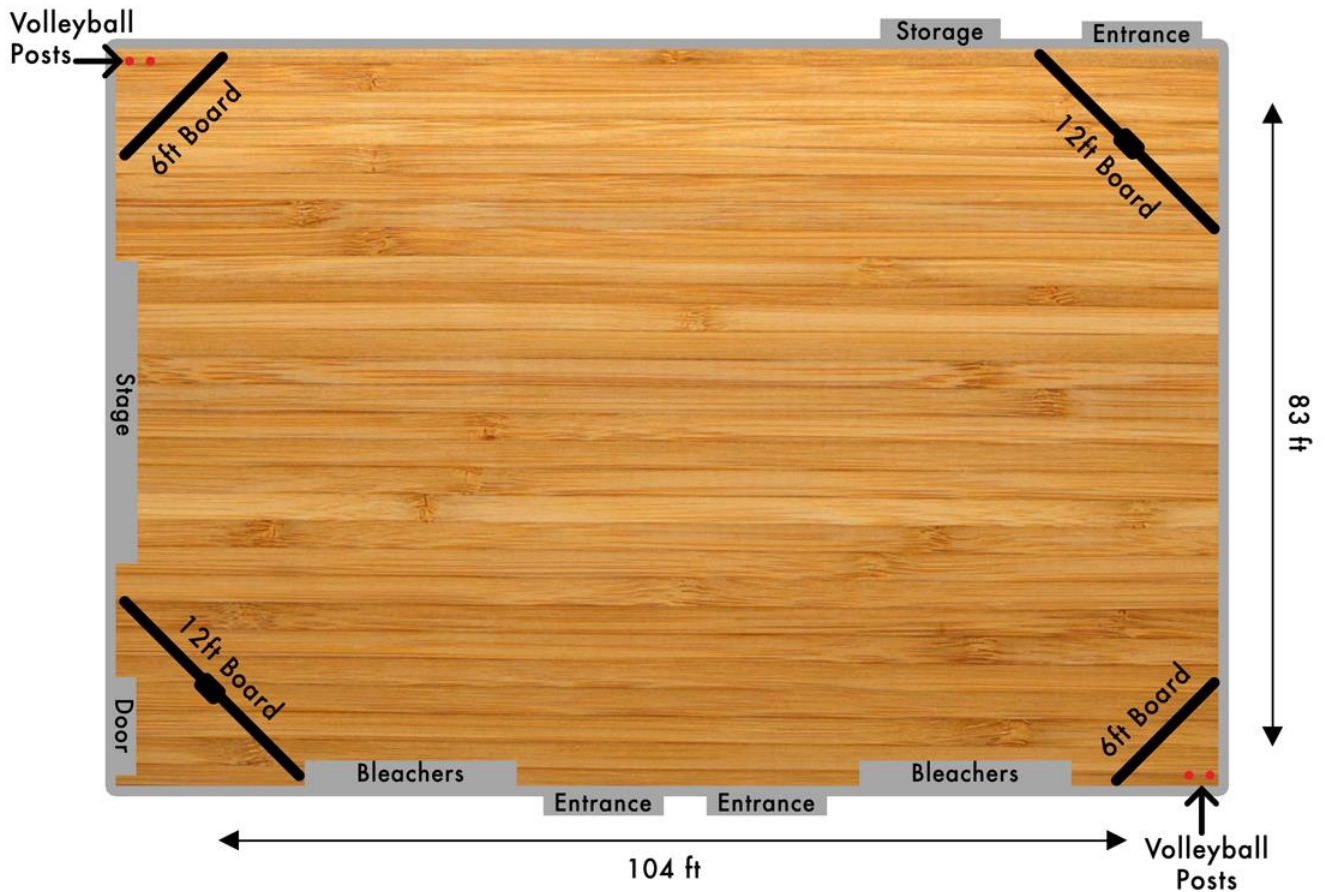

Stage – If the ball bounces right off the stage, feel free to yell 'live'. If it is stuck up there, or taking time to roll back, blow the play dead and give possession in the corner to the team that did not last touch the ball before it went out of play. Treat the stairs going on to the stage as a corner as the ball can get stuck underneath.
